PAPER

**Please find below and/or attached an Office communication concerning this application or proceeding.**

The time period for reply, if any, is set in the attached communication.

***ADVISORY ACTION***

Continuation of 11. does not place the application in condition for allowance because:

The Examiner maintains the rejection of claims 43-46 and 64-67 under 35 USC §112, first paragraph (written description); claims 35, 43-46, 54 and 64-67 under 35 USC §112, first paragraph (scope of enablement); and claims 35, 36, 43-49, 51-54 and 57-67 under 35 USC §103(a); for reasons of record.

Applicants' Affidavit under Rule §1.132, containing evidence of synergy and unexpected results has not been entered, because Applicants have not provided a good and sufficient showing why the evidence was not earlier provided.

Applicants' arguments are based on the proposed amended claims, and the Rule §1.132 Declaration. However, as the Declaration has not been entered, the arguments are not found to be persuasive.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to FEREYDOUN G. SAJJADI whose telephone number is (571)272-3311. The examiner can normally be reached on 6:30 AM-3:30 PM EST.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Joseph Weitach can be reached on (571) 272-0739. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
